FUTURE PLANNED KITS

I am working on a line of structures to be intruduced as quickly as I can get the drawings, instructions and materials together. This line will include:

- Passenger Station (much on the order of the one on Jan/Feb 82 cover of the S Gaugian)
- Saw Mill (Small) - Similar to the Suydam kit in HO.
- Lumber Yard - to compliment the Saw Mill kit.
- Slaughter House & Meat Packing Plant w/ Cattle Pens.
- 1930s Gas Station
- 1930s Store & Warehouse - Hardware and Farm Supplies type.

All of these kits will be fully detailed and come with all the goodies that similar kits have in HO gauge.

Drop me a line and let me know what your interest are on any of the forthcoming kits. If there is a kit that you would like to see on the market - let me know this too. In fact, if there is anything that you would like to see in "S", let me know and I'll see what I can do for you.

NOTE: Pricing of kits does not include shipping. Please add \$2.00 UPS on orders of less than \$50.00 - Orders of over \$50.00; I will pay UPS. Please include your street address as UPS will not deliver to a Post Office Bx number.
