The Cuyahoga Valley S Gauge Association is pleased to announce that the 1992 NASG Convention Car will be an American Models 52' Gondola decorated as the colorful Cuyahoga Valley Railway car with a Steel Coil Load included. The car is painted deep green with bright yellow lettering. The year (1992) and a prototype number will be offered. End lettering is included.

The car will be available with your choice of American Models Scale or Hi-Rail (American Flyer compatible) Trucks and couplers.

The price is \$27.00 each, delivered at the Convention in July. If you are unable to attend the Convention, your order can be shipped. Shipping charges are \$3.00 for the first car and \$1.50 for each additional car. Shipped orders will be sent in August.
