| HO or HOn3 | MDC  | 2 Truck Shay, metal & plastic construction.                 | 40.00 |
| HO         | MDC  | 3 Truck Shay, metal & plastic construction.                 | 50.00 |
| HO         | CARY | Brass Fittings Detail Kit for MDC Shay                      | 18.45 |

## — V.&T. SHOPS Conversion Kits —

(White Metal & Urethane Plastic)

|      |          |   |       |
|------|----------|---|-------|
| S-2  | Sn3      | Converts the HO AHM Heisler to Sn3.   | 40.00 |
| V-10 | On3-On30 | Converts the HO AHM Heisler to a 18 ton loco.   | 40.00 |
| V-12 | On3-On30 | Converts the MODEL POWER A-3 0-4-0 to a 12-15 ton loco.                                     | 42.00 |
| S-15 | Sn3-Sn2  | Converts the MDC Shay into a 3-cylinder Shay. (uses the MDC boiler that comes with the kit) | 20.00 |
| S-16 | Sn3-Sn2  | Converts the MDC Shay into a 2-cylinder, T-boiler Shay. (new boiler & cylinders)            | 35.00 |
| S-17 | Sn3-Sn2  | Converts the MDC Shay into a 2-cylinder, straight boiler Shay. (new boiler & cylinders)     | 35.00 |
| S-18 | Sn3-Sn2  | Converts the MDC Shay into a 2-cylinder, Mich-Calif. #2. (new boiler & cylinders)           | 40.00 |
| S-19 | Sn3-Sn2  | Converts the MDC Shay into a 3-cylinder, wagon top boiler Shay. (new boiler & cylinders)    | 35.00 |

Note: The gauge change of the MDC Shays to Sn3 requires only pushing the wheels in on the axles and trimming the bosses from the truck frame with a knife. Also the motor supplied with the MDC Shay kit will work, but will show. A new can type motor can be hidden in the tender.
