Sn3 KITS

D&RGW 3000 Series Box Car

a superb kit featuring precision cut wood, plastic detail by Grandt line, Thinfilm decals, Tomalco brass castings complete with detailed instructions.

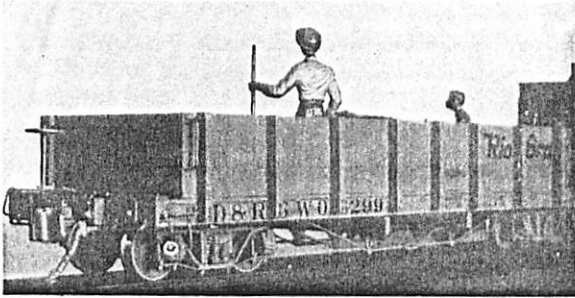

Kit Sn3-1, less trucks & couplers

D&RGW Idler Flat Car

A most unusual car used for Pipe Train Service. Tomalco castings, Grandt detail decals by Thinfilm, detailed instructions included.

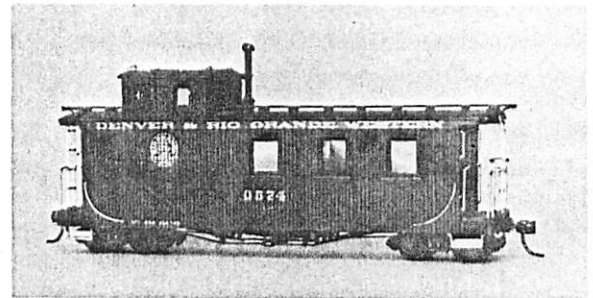

Kit Sn3-2, less trucks & couplers

D&RGW Work Gondola #06299

A most versatile kit featuring all of the Tomalco extras. Precision cut wood, Grandt detail, fine brass castings and Thinfilm decals.

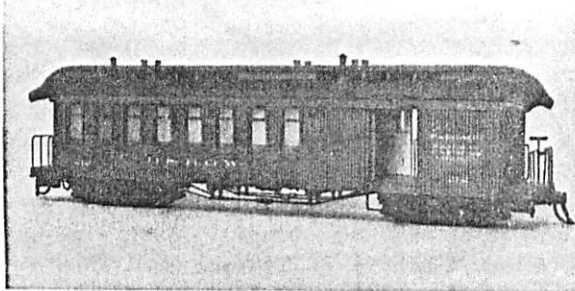

Kit Sn3-3, less trucks & couplers

D&RGW Long Caboose

A masterpiece of accuracy with a wealth of detail. Brass castings by Tomalco, precision cut wood, and Thinfilm decals are featured in this kit.

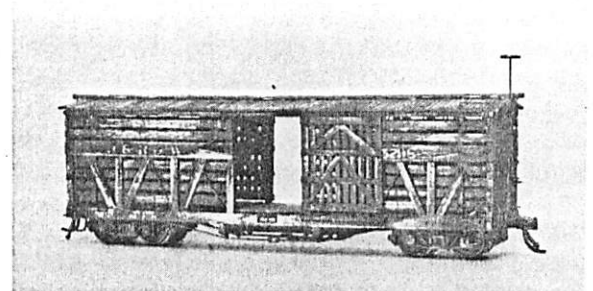

Kit Sn3-4, less trucks & couplers

D&RGW Coach/Combine

Build either way. The best passenger car kit in any scale. Many special castings included along with detailed instruction designed for the master builder.

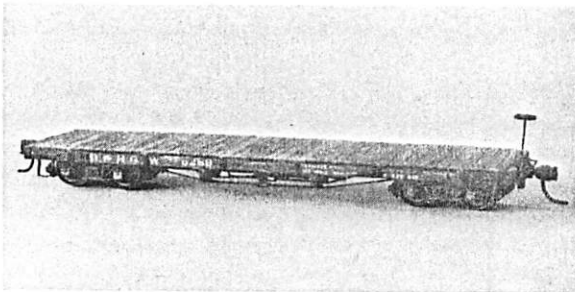

Sn3-6, less trucks & couplers

D&RGW 5000 Series Stock Car

You can build this beauty in at least 4 variations. Precision cut wood, Grandt detail, and Tomalco castings highlight this kit.

Kit Sn3-7, less trucks & couplers

D&RGW 6000 Series Flat

A true work horse that you can load or run light. Loaded with all of the Tomalco features.

Sn3-8, less trucks & couplers

D&RGW High Side Gondola

A Tomalco beauty with all the goodies, brass castings, plastic parts by Grandt, precision cut wood and detailed instructions.

Sn3-9, Modern Version, less trucks & couplers

SN3-10, Original Version, less trucks & couplers

TOMALCO
